

31/01/24 Home Learning Class 2

In English, Class 2 have been writing their final postcards detailing a journey across our three focus mountain ranges. They have enjoyed incorporating their geographical knowledge from our topic lessons into their writing sessions. They have produced detailed postcards showing how they feel at different parts of the journey.

In Maths, Class 2 have been solving scaling problems. They have been representing them using bar models. Year 3 have enjoyed using their 3-, 5- and 6-times tables to help them. Year 4 have enjoyed using their 3-, 7- and 8-times tables.

In Art, Class 2 explored using black, grey and white paints to create shading on their mountains. They produced amazing mountains with detailed shading.

Reading

We expect the children to read 5 times a week – you can read to an adult (as it is always good to read aloud to practise your expression) or talk to your adult about what you have read.

Topic:

Please see previous home learning for list of topic related activities.

TTRS

Complete assigned times table on Garage.

Spellings

Nessy: If your child has a Nessy account, please complete Nessy activities rather than spellings below.

Below are spellings linked with our Geography. Spellings will not be tested in isolation. We will be looking at whether the children are using them accurately in their writing.
