

6/3/24 Class 3 Home Learning

In English we have been looking at persuasive letters. We thought about the different persuasive features including rhetorical questions, emotive language and repetition. We also researched a famous sportsperson to write to using these persuasive techniques.

In Maths we have been looking at ratio and solving problems related to this. We have also been doing some practise on worded problems and using images to support our understanding of these.

On world book day we did lots of activities related to different books. We use *A million dots* in maths and wrote our own raps based on Michael Rosen's rap in English!

Home Learning

Reading

We expect the children to read 5 times a week. It would be great for children to read to an adult as well as to themselves. It would help the children to be able to discuss the book they are reading with an adult as well for the adult to ask them questions about what is happening in their story.

Maths

Please ensure the children are regularly practising their times tables using times table rockstars – the times tables they need to practise have been assigned to them.

<https://trockstars.com>

History

Please refer to the homework set on 21.2.24 for the list of tasks to choose from for this half term. You should complete **2 of these tasks** before the Easter holidays.

Spellings will not be tested in isolation. We will be looking to see if the children are using them accurately in their writing.

Ready	Steady	Go
light	light source	refraction

dark	straight lines	translucent
shadow	density	opaque
mirror	dangerous	transparent
reflect	surface	absence of light
