Beech Home Learning

Half Term: Autumn 1

Dear parents/carers,
Beech class have had a great start to the year and settled well into their new routines. This term we will be exploring Life in Britain from the Stone Age to the Iron Age. Have a look at the amazing projects your child could do and help them select at least one.
Please get in touch if you have any questions.
Kind regards,
Miss Smith and Miss Rushworth

Please access My Maths to find three tasks to complete over the half term (equal to one each fortnight). Please ask if you need your login details. Here is the link:
MyMaths login page

Learn times tables/division facts as often as possible. Login to TTRS to practise recalling these facts.

Projects

- Complete one project
- Have a go at some more if you wish
- Bring to school by Monday 19th October

Cave Painting: Use chalk, charcoal, or natural paints on a piece of rough sandpaper to mimic the uneven texture of real cave walls.	**Survival Kit Challenge:** Design a survival kit using only items available in prehistory—like a flint rock, animal furs, tinder for fire, and dried meat.	**Hand Stencils:** Recreate prehistoric stencils by placing a hand on paper and gently sponging, spraying or blowing watered-down paint around it.
Time Traveller Postcards: Imagine visiting the Stone Age, then write a postcard or letter describing what you see and who you meet.	**Picture Prompt Tales:** Pick a random photograph or magazine clipping. Describe the scene or write a short adventure story about it.	**Miniature Shelters:** Gather twigs, leaves, moss, and twine in the garden to build a small-scale prehistoric lean-to or tent. You could share a photo of your work.
