

Beech Home Learning

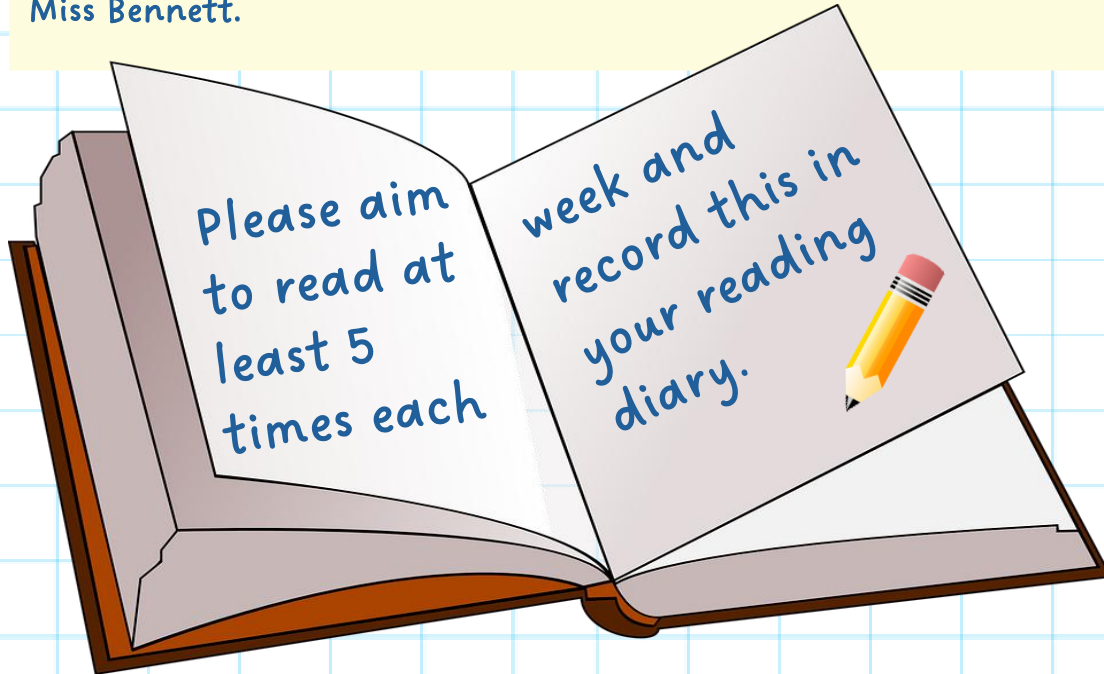

Half Term: Autumn 2

Dear Parents/Carers,

Beech class have been working hard and are enjoying their Geography topic. They have been making links to their previous history topic by exploring the 'Golden age of Alpinism'. We will be studying scientists like Isaac Newton and mountaineers like Edward Whymper.

If you any questions regarding home learning, or anything else, then please do email the school or book an appointment to see me after school.

Kind regards,
Miss Bennett.

Please access My Maths to find three tasks to complete over the half term (equal to one each fortnight). Please ask if you need your login details. Here is the link:

Projects

- Complete one project
- Have a go at some more if you wish
- Bring to school by 15/12/25

Science (Yr 3 and 4)	PSHE	Geography
In science we have been identifying different light sources. Create a table sorting Light sources into natural and man-made.	In Jigsaw we are celebrating our differences and understanding how to resolve conflict. Draw and label a family portrait in an art style of your choice.	Research a chosen mountain range within Europe. You could include things like: • Highest point • Climate • Wildlife • Tourism/leisure activities
