

8/11/24 Home Learning Class F

This week, Class F's learning has been based around the book "Sparks in the Sky" thinking about Bonfire Night and how this is celebrated. They have made firework pictures using paint and forks, discussed firework safety and watched a video of fireworks thinking about the noises fireworks can make and trying to copy them using mouth sounds. We have then started to discuss Remembrance Day and what this is. We have started to decorate our own poppies and are placing these on the outline of a soldier.

In phonics, the reception children have continued with their Phase 2 phonics and have learnt g, o, c, k with actions. They have played games such as bingo and matching the pictures to the CVC words.

The Nursery children have been matching objects by colour and shape. In their phonics, they have started their Instrumental Sounds learning with activities including creating their own sound shakers and using these to accompany singing songs such as Twinkle, Twinkle Little Star.

Home Learning Reception only

Projects: Please choose one (or more!) of the following options to complete over the second half of the Autumn Term.

1. Your child should have a set of flash cards to practise the Phase 2 sounds they have learnt in school so far. Please use these flash cards to help reinforce the sounds. You might also like to play some games using these sounds on www.phonicsplay.co.uk
2. Sing number songs and share nursery rhymes and books with your child.
3. Our topic for the second half of this term is going to be based around the season of Autumn. Collect some autumn treasures with your child. This might be conkers, acorns or various coloured and shaped leaves. The children can then bring these in to share with the rest of the class.
4. With the Autumn treasures you have collected, you might like to study these items before drawing them, painting them or even making art with them such as leaf stamping. These could be brought into school to share with the rest of the class. Ideas can be found below:

Reading

children
now have
child

a phonics book linked to their phonics learning. Please read with your every day and record in their reading record book. Please ensure your child's coloured ziplock bag is brought into school every day so the adults in school can listen to them read.

Home Learning Nursery

Spend time reading and enjoying books with your children. Sing nursery rhymes and number songs. We have been singing Twinkle, Twinkle Little Star with the children which you might like to do with your child. You might like to collect autumn treasures with your child. This might be conkers, acorns or various coloured and shaped leaves. The children can then bring these in to share with the rest of the class.
