

## **07/03/25 Home Learning Class F**

What a busy and exciting week the children have had. They started the week by learning about Shrove Tuesday and enjoyed making and eating their own pancakes. Also on Tuesday, they had a visit from Kim, the Oral Health Practitioner, who talked to them about keeping their teeth healthy. Please check the Class F blogs where you will find photos of previous learning and photos for this week will be uploaded soon. On Thursday, the children dressed up for World Book Day and enjoyed sharing their books with their friends. The children have also been spending an increasing amount of time in the outside area with the improving weather. Next week, we will be back to our Growing topic!

### **Home Learning**

**Projects: Please choose one (or more!) of the following options to complete over the half term.**

1. Look around you, can you find any flowers that have started to grow? You could go for a walk with a grown-up around a garden or park. You could take photos or draw a picture of the things you see.
2. Try growing some plants or flowers at home. You could try planting some seeds in a pot or in your garden.
3. Try making a model of a flower. You could use modelling dough, paper or card, Lego, empty cardboard tubes and boxes or plastic tubs and pots. Think about how you could make the stem, the flower and the leaves. We would love to see any models you make!
4. Draw or paint a picture of some flowers. What colours do you need? Can you remember the different parts of a flower? Try using the words 'stem', 'leaves' and 'petals' to describe your flowers.

You might like to sing some songs with your children linked to this topic. Here are a few suggestions. You can find some of these nursery rhymes on BBC teach with animations:

- Mary, Mary quite contrary
- Oats and beans and barely grow
- 10 red apples hanging on a tree (to the tune of 10 green bottles)

### **Reading (Reception only)**

The children have a phonics book linked to their phonics learning. Please read with your child every day and record in their reading record book. Please ensure your child's book bag is brought into school every day so the adults in school can listen to them read.
