Spring 1

Dear Parents and Carers,

It's been a pleasure to walk around the school this week and see the children not only focused and calm in their learning but using their learning powers to engage fully. As a school, we support the children to develop resilience, resourcefulness, reciprocity and reflectiveness. This week there have been so many amazing examples including the children in Beech class independently being resourceful (selecting resources to support their learning), the year 5 and 6 Netball team showing reciprocity through their teamwork and encouragement, Sycamore class being reflective and resilient when creating fabulous clay pots, Oak class being 'Tryosuaruses' building the resilience to have another go and Acorns learning to work together and listen to each other. The children have also been working hard on their Jigsaw (PSHE) topic 'Dreams and Goals' thinking about the steps they need to take to achieve them.

We thank you for your ongoing support of the school and your child/ren. Remember, if you have a concern please contact us via families@langtree-school.org, so we can work with you to support the best outcomes for the children.

Sporting News

This week a team of year 5 and. 6 children went to GTS for the North Devon Netball qualifier. They were incredible to watch. Their ability to work as a team really stood out as they smoothly passed the ball at speed and supported each other on and off the court. They were so focused and driven, they won all three of their matches and will be going to Park School at the end of March for the finals! They also received the Bee Netball League Cup, which they won for matches played in the Autumn term. What a team! Thank you to Jill Mitchell for volunteering to come along and for being an amazing one-woman cheer squad!

Residentials

All remaining instalment payments are now set up on Eduspot/SchoolMoney for both the Y5 London and the Y6 St Georges House residentials. Please check your Eduspot/SchoolMoney accounts for the next instalment dates.

Reporting absences

If your child is absent please phone the school office before 9.15am **everyday** your child is not in school. In the event we are unable to answer please leave an answer phone message.

Contact with school

If you have any concerns or something to discuss please make sure you do so as soon as you can directly with school. We are always here to listen and support and letting us know promptly really helps. The first step is to speak with your child's teacher as this is the person who sees them every day and will be able to address most things. After that, if you need further advice/support, you may book an appointment with a member of the senior leadership team via email. We will respond to emails within 5 working days.

Lateness

Just a reminder that your child must be settled into class ready for lessons to start at 9.05am. The gates open at 8.45am to allow time for this. Regular lateness can have a significant impact on your child's learning and contributes towards unauthorised absence. If this is something you are finding difficult, please get in touch with us so we can help support you to find a solution. We are always here ready to listen.

We also understand that sometimes unpredictable events may cause delays. In these instances, please contact the school as soon as you are able.
