

Oak Class Home Learning

Half Term: Autumn 2

Dear parents/carers,
The children have settled back into school well and have already begun some new learning units. Our reading groups are now established and your child will be bringing home a group reading book matched to the phonics we are working on. This book will usually be changed once a week as it is intended to be read several times.

Kind regards,
Mrs Larkum & Miss Rushworth

Weekly Tasks

Please read regularly and continue to share books of all kinds.

Practise reading any tricky words or common exception words that come home in the bookbag.

Reception: Learn the numbers to 10. Find 1 more or 1 less within 1 – 5.

Year 1: Recognise numbers to 20, including the words (one, two etc) Write all numerals correctly. Find which is greater, less than or equal to.

Projects

- Complete one project
- Have a go at some more if you wish
- Bring to school by 12/12/25

Science	Art	PSHE	Geography
Design an outfit to wear in the Devon rainstorms!	Create a bonfire or firework picture or collage.	Take a photo of you and your family. Write one good thing about each person.	Make a model or picture of planet Earth. You could use playdough, collage, paint, the choice is yours.
