

## **8/11/23 Home Learning Class F**

### **Our topic this half term is 'People who help us' and this week we have:**

been learning all about firefighters. We created our own fire safety posters to explain to others how to stay safe. In addition to this we finished off our Halloween and bonfire night topic. In our independent learning we had the opportunity to create spooky decorations and write our own spells.

In music we have begun to look at Reggae music and started to learn how to sing a Reggae song.
