

## **17/4/24 Home Learning Class F**

### **Our topic this half term is 'Growing' and this week we have:**

Written our holiday news and shared what everyone has done over their break. We have also started our new topic and thought of questions about things we might like to learn. We have planted some runner bean seeds and will monitor their growth over the next few weeks by keeping a bean diary. Alongside this we have also planted sunflower seeds and will see how tall they grow.

#### **Home Learning**

##### **Reception**

To link in with our new topic 'growing', what plants can you find in a garden or park? Record what you find by taking photographs or drawing pictures. We look forward to seeing your results.

##### **Reading**

Your child is bringing home books linked to the phase 3 sounds they have learnt in phonics. We expect the children to read at home at least 3 times a week. Please write in their reading record books when you read at home.

##### **Nursery**

To link in with our new topic 'growing', what plants can you find in a garden or park? Record what you find by taking photographs or drawing pictures. We look forward to seeing your results.

##### **Reading**

Share a book together. You could choose a book from home or there are books at school which you can borrow.

Please complete by 24<sup>th</sup> April 2024.
