

2/5/25 Home Learning Class 3

Home Learning

As summer arrives, we in class 3 have our mind firmly on the upcoming SATs examinations. Our year 5s are equally concentrating on achieving as well as they possibly can even though they themselves are not sitting the examinations. At this time, revision would be the best thing to concentrate on.

The following websites would be an excellent way to brush up on our skills. If you come across anything your child does not understand please do not hesitate to have them talk to me about it in school.

Reading

We expect the children to read 5 times a week – you can read to an adult (as it is always good to read aloud to practise your expression) or talk to your adult about what you have read.
