

Class 3 Home Learning

Half Term: Summer 1

Dear parents/carers,

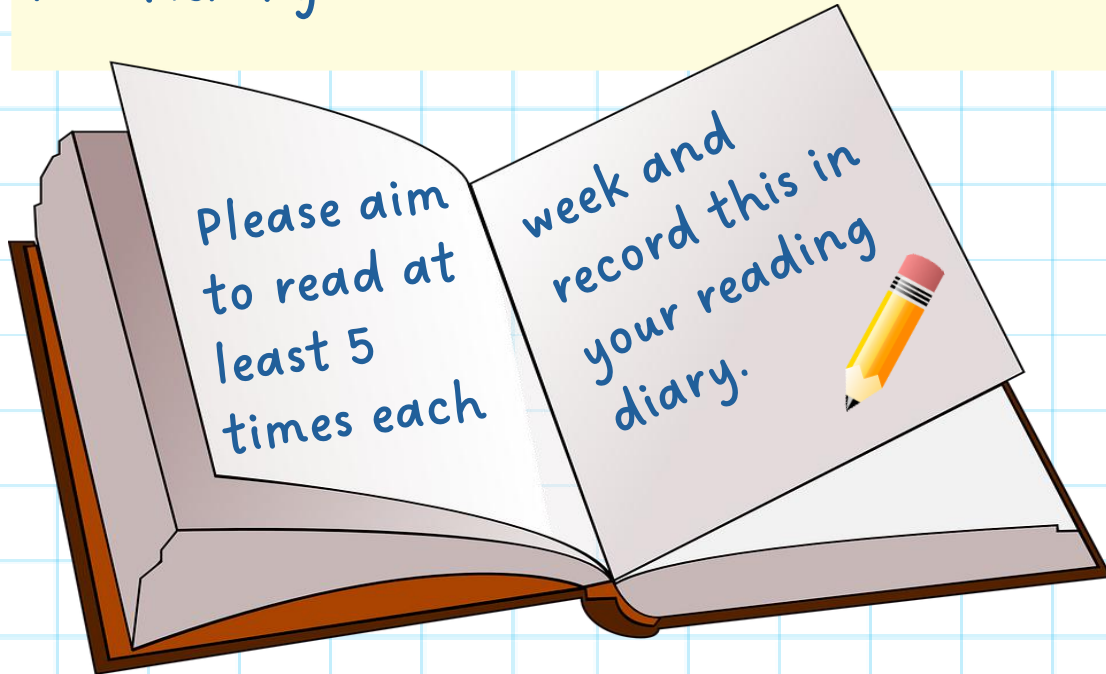

Here will be a few notes about how the children have settled into the half term, the main themes for learning and anything else you need to know.

Kind regards,
Miss Fleming

Please access My Maths to find three tasks to complete over the half term (equal to one each fortnight). Please ask if you need your login details. Here is the link:
[MyMaths login page](#)

Learn times tables/division facts as often as possible. Login to TTRS to practise recalling these facts.

Projects

- Complete one project
- Have a go at some more if you wish
- Bring to school by 21/05/2026

Science	Art	PSHE	History
Make your own shadow puppet characters and use a torch to create a shadow show that proves light travels in straight lines and shows how shadows change size when the light moves closer or further away.	Research famous war artists and propaganda posters, then design your own bold poster using powerful images, slogans and colours to send an important message	Write a poem about a person in your life you want to celebrate!	We will be completing a local area study during the term, Can you complete research to find out about life in Langtree during the early 1900s?
