

## **28/2/24 Home Learning Class F**

### **Our topic this half term is 'Amazing Animals'**

Towards the end of last half term, we were lucky enough to have the space dome visit us. We learnt about the constellations that we can see in the sky and their meanings. We also learnt about the sun and how hot and big it was. We discussed how many 'moons' it would take to fill up the whole sun.

We completed some art work linked to Parlaiment and had a go at painting a portrait of the King. The children were all pleased with their finished pieces and some of these pieces might be displayed at the Burton Art Gallery in their annual schools exhibition.

Last week the children all settled in well after the half term break. They enjoyed discussing their achievements in PSHE and discussed that they were awarded them for things that they had to practice.

### **Home Learning**

#### **Reception**

To tie in with Children's mental health week and our non uniform day on Friday, this week's home learning is to create of spiral of things that matter to you (see the example below). You could draw pictures or cut pictures out of different things for example families, toys, their home and pets. We look forward to seeing your finished masterpieces.

#### **Reading**

Your child is bringing home books linked to the phase 3 sounds they have learnt in phonics. We expect the children to read at home at least 3 times a week. Please write in their reading record books when you read at home.

#### **Nursery**

To tie in with Children's mental health week and our non uniform day on Friday, this week's home learning is to create of spiral of things that matter to you (see the example below). You could draw pictures or cut pictures out of different things for example families, toys, their home and pets. We look forward to seeing your finished masterpieces.

#### **Reading**

Share a book together. You could choose a book from home or there are books at school which you can borrow.

Please complete by 6<sup>th</sup> March 2024.
