

20/9/24 Home Learning Class 2

This week we have started a new English unit based on a book called 'The Beasties'. We've discussed lots of vocabulary in the book and practised using these words in sentences. We worked hard in groups to map out the start of the story by drawing pictures and started to learn the maps we created. To finish off the week Class 2 created their own beasties and described them using expanded noun phrases.

In maths we have been looking at partitioning numbers in different ways all week. We've practiced using resources and images such as base 10, place value charts and whole part whole models.

Class 2 have been interested in our Hinduism topic in RE where we have talked about the shrines which they use for their prayers and all the different deities.
