

## **22/11/23 Home Learning Class F**

### **Our topic this half term is 'People who help us' and this week we have:**

Been learning all about doctors and nurses. We have read the book 'Funny Bones' by Janet and Allan Ahlberg. In our independent learning we have had the opportunity to create our own skeletons and make houses for them to live in. We all took part in the funny bones dance which helped us learn about the different bones in our body.

This week in PE we went to the Parish Hall and used the apparatus. We found lots of different ways to travel across it and jumped off safely onto the mats.

### **Home Learning**

#### **Reception**

This week is lifeguard week! For your home learning can you create your own lifeguard scene (see idea below)? Think about what the lifeguard might wear. Are they going to be a pool lifeguard or a beach lifeguard? If they are on the beach, what flags might you want in your scene? As always, we really look forward to seeing your finished pieces of work. You could bring them in to show us or take a photograph.

#### **Reading**

We have now started phase 3 in phonics. Your child is now bringing home books linked to these sounds. We expect the children to read at home at least 3 times a week. Please write in their reading record books when you read at home.

#### **Nursery**

This week is lifeguard week! For your home learning can you create your own lifeguard scene (see idea below)? Think about what the lifeguard might wear. Are they going to be a pool lifeguard or a beach lifeguard? If they are on the beach, what flags might you want in your scene? As always, we really look forward to seeing your finished pieces of work. You could bring them in to show us or take a photograph.

#### **Reading**

Share a book together. You could choose a book from home or there are books at school which you can borrow.

Please complete by 29<sup>th</sup> November 2023
