

Sycamore Home Learning

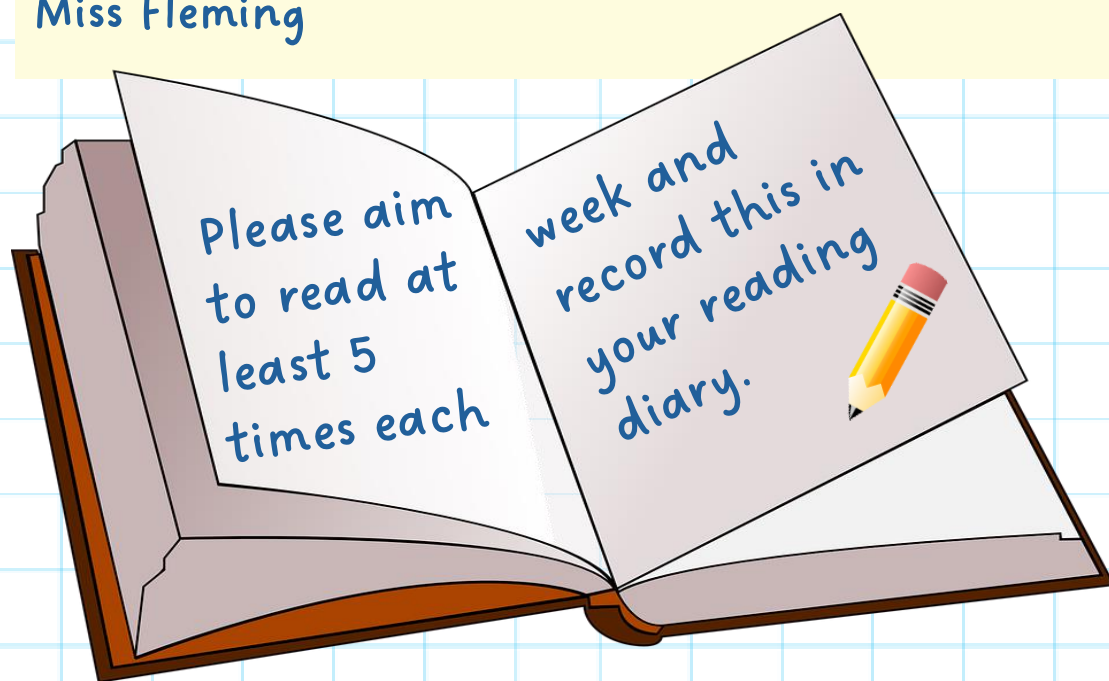

Half Term: Autumn 1

Dear Parents/Carers,

This half term we will be studying the impact the Tudor dynasty and will be learning about forces in Science.

If you have any questions or queries about Home Learning or anything else, then please email the school or book an appointment to see me after school.

Kind regards,
Miss Fleming

Please access My Maths to find three tasks to complete over the half term (equal to one each fortnight). Please ask if you need your login details. Here is the link:

[MyMaths login page](#)

Learn times tables/division facts as often as possible. Login to TTRS to practise recalling these facts.

Projects

- Complete one project
- Have a go at some more if you wish
- Bring to school by 19/10/2026

Science- Forces	Art	PSHE	History
Thrust, drag, gravity and lift are all forces that need to be considered when designing a paper airplane. How does changing the design affect how far it flies? Please bring in your plane for a competition during the last week.	Research the artist Edward Munch and create a drawing or painting in his style.	In PSHE we are looking at Being Me in My World. Can you perform acts of kindness and keep a note of these?	We will be learning about the Tudors during the Autumn Term. Can you research and create a poster that shows the Tudor family tree?
