Executive Head Teacher: Melanie Smallwood

Chair of Governors: Peter Ong

### Are you interested in making a difference?

### Two Rivers Governing Board needs...

### 1 Co-Opted Governor and 1 Foundation Governor...

**We are looking** for 2 governors to join our Governing Board. As a governor you will be a volunteer who makes a vital contribution to the success of the Federation schools, helping with long-term plans and strategic direction – this role may be particularly of interest if you have skills in finance or human resource, teaching or learning, but we would like to hear from anyone interested in helping the school be the best it can be. Full training is available and governors are encouraged to attend regular training sessions, either in person or online.

**Governors need not be experts:** an interest in the school and the welfare of its pupils, time and willingness to get involved are useful - but we also need 'soft skills': the ability to be able to build relationships with a range of people, to be able to work as part of a team, to be able to question, and to make connections between different types of information. We welcome interest from all walks of life to bring different perspectives and views; co-opted governors can make the link between the world of work and education and constructively support the success of their local schools.

**Meetings:** six full governing body meetings and six committee meetings per year, in school or online, usually held on a Tuesday late afternoon/evenings. Governors also spend time in school during the day (around two visits per term).

You must be 18 or over to apply and all governors must have Disclosure and Barring Service (DBS) checks. If you would like to find out more, please e-mail in the first instance: [clerk@tworiversfederation.org](mailto:clerk@tworiversfederation.org) or contact either school above.
