

## **Class 1 Home learning 17.1.24**

Class 1 have been busy reading, watching and listening to a range of fairy tales this week. We have become familiar with stories such as the 3 Billy Goats, Rumpelstiltskin, Goldilocks and The enormous Turnip. In the last few days we have focussed more on HOW to create good sentences; with capital letters, full stops, fingers spaces, adjectives and adverbs (Y2)

In maths, we have been using resources to develop and show their understanding of place value. Next week we will be moving on to comparing numbers using language, number lines and also the symbols for greater than, less than and equal to.

In Geography, we have explored the World using Google Earth, learnt about the continents and oceans of the world and we have begun finding out about the UK and its countries.

### **Reading Year 1.**

Your child will be bringing home a book this week which they read with you and also during guided reading, the aim is that this book is read multiple times to practise their phonics and fluency. They can also bring home a picture book to share. Please aim to read with your child 3 times a week and sign their reading records.

**Year 1** - Bug club books will continue to be allocated every week so keep checking and read as many times as you can.

\*\*\* I will provide your child with the bug club login where they can read the allocated books as well as take part in a range of fun phonic and reading-based tasks.

**Year 2.** Your child now has an Accelerated reader book. They will keep this book and read it both at home and in 1-1 reading until they can read it fluently. They will also have guided reading sessions in class with Mrs Mitchell using an additional Accelerated reader book.

### **My maths for YEAR 2**

Please have a go at the **place value** on My Maths. They are based around our current learning on numbers to 100 and how they can be partitioned.
