

Class 1 Home learning 3rd July 2024

The children are eagerly awaiting the start of the summer holidays but have continued to work hard in all of their subjects. We have learnt how to recognise the difference between a Roundhead and a Cavalier from the English Civil war and the children can explain why they dressed the way they did. We have looked at what parliament means, how this made Charles 1 feel back in the 1600's and how it sparked a war.

In English, the children have come up with some excellent alternative versions of 'Stuck' by Oliver Jeffers. Presents get stuck in chimneys, toys in spider webs and even wellies in mud. We are currently in the middle of writing these stories so they can come home at the end of term.

Home learning tasks:

Reading.

Year 1

Your child will be bringing home a book this week which they read with you and also during guided reading, the aim is that this book is read multiple times to practise their phonics and fluency. They can also bring home a picture book to share. Please aim to read with you child 3 times a week and sign their reading records.

Year 2. Your child now has an Accelerated reader book. They will keep this book and read it both at home and in 1-1 reading until they can read it fluently. They will also have guided reading sessions in class with Mrs Mitchell using an additional Accelerated reader book.

Looking forward to next year.

Please have a think about all you have achieved this year and then think about next year. What does that look like for you? Can you answer the questions in each box and then return it to Mrs Mitchell before the end of term?
