Dear Parents and Carers,

We hope you have had a good week, please see the latest news and information for the school.

Home learning is available [here](#). This is always accessible through the school website at any time.

Explorer Dome - upcoming visit for all children. In order for the Explorer dome to visit, we are asking for a contribution of £4 per child. An email was sent out last Monday regarding all the relevant information. Payment can be made via Eduspot/SchoolMoney by Monday 22nd January. A big thank you to the PTA, who have contributed 50% towards this experience to support all children to attend. - You can find out more about the explorer dome [here](#).

Sports Club Volunteer

Through discussion with the parent forum, we are interested to know if there are any volunteers who would like to run an after-school sports club. They would need to have appropriate experience/qualifications and would need a DBS check completing for our school setting. Could anyone interested please contact the school using the families email address families@langtree-school.org to arrange a conversation.

Car Parking

Please can we remind you that if you are using the Parish Hall car park to drop off/pick up your child/ren, please drive in and out slowly and cautiously. In addition, please be mindful of where you are parking. The disabled access places are needed by some so please do not use these if you do not need them. It is also much safer for all if there are no cars alongside the path next to the hall. This blocks vision for drivers and pedestrians. It is much safer for all if the spaces in the main car parking area are used. Many thanks for your help in keeping the children safe.

Coats

Several children have been wearing 'Dry Robes' or similar to school. We understand that in this cold weather these are a warm option. However, from next week, please can the children be back in their usual warm coats as they are taking up a lot of space.

Workshops

Please see the below Autism online workshops should they be of interest to you.

Parent/Carer Autism Online Workshops

Whether your child is awaiting a diagnosis or has already been diagnosed, these workshops are a great opportunity to learn more about Autism & ask questions within a supportive group of other parents & carers.

- **Monday 5th February - An introduction to Autism**
An opportunity to explore what Autism is, the many strengths and the differences that make each child so wonderfully unique.
- **Monday 12th February - Communication**
Identifying what communication is and the different communication methods that may be helpful for Autistic children.
- **Monday 19th February - Sensory Processing**
Explaining the 8 sensory systems, how the environment can impact on a child with sensory processing differences/challenges and strategies to meet an individual's sensory needs.
- **Monday 26th February - Pathological Demand Avoidance**
A look into the interesting subject of PDA, how this may present and what is the best approach to take to avoid conflict.

Workshops will be held 7:30-8:30pm via Zoom.

£25 per workshop for each family.
