

28/02/24 Home Learning Class 2

In English, Class 2 have been exploring historical women who changed the world such as Marie Curie, Emmeline Pankhurst and Amelia Arehart. They have enjoyed choosing their own inspirational person to gather information on.

In Maths, Class 2 have explored the numerator and denominator. They have also been adding fractions with the same denominator.

In Topic, Class 2 have been examining historical sources to make inferences about life before and after the industrial revolution.

Reading

We expect the children to read 5 times a week – you can read to an adult (as it is always good to read aloud to practise your expression) or talk to your adult about what you have read.

Spring term 2 tasks: refer to previous home learning for topic task options.

Maths

Complete assigned Mymaths activities.

Spellings

Nessy: If your child has a Nessy account, please complete Nessy activities rather than spellings below.

Below are spellings linked with our science topic plants.

Spellings will not be tested in isolation. We will be looking at whether the children are using them accurately in their writing.
