

11/10/24 Home Learning Class F

This week, Class F have been continuing to think about the book 'Famer Duck'. Last week, the children investigated sunflowers that had developed seeds. They then used tweezers and their fingers to pull the seeds out. These seeds have now been used to create their own sunflowers using yellow paint, paper plates and the sunflower seeds they harvested. The children also listened to and learnt the song Dingle Dangle Scarecrow with actions.

In phonics, the reception children have started Phase 2 phonics and have now learnt the sounds s, a, t, p, i, n, m and d. They have been writing the graphemes for these sounds and started to sound out and blend CVC words. In maths, the reception children have continued with their numberblocks lessons with the numbers 3 and 4.

The Nursery children have continued their environmental sounds activities such as playing sound lotto and a game identifying sounds. In maths, the children have been matching with activities such as matching socks and patterns.

Home Learning Reception only

Projects:

Please choose one (or more!) of the following options to complete over the first half of the Autumn Term.

1. Practise recognising and writing the letters in your child's name. You could explore writing using different pens/pencils, using chalk outside, writing letters in a tray of salt or sand or finger painting their name.
2. Sing number songs with your child. We have been singing [Dingle Dangle Scarecrow - CBeebies \(bbc.co.uk\)](#)

Reading

The children do not have phonics books yet, but please spend time reading and enjoying books with your children. Talking about what is happening in the story and the characters.

Home Learning Nursery

Spend time reading and enjoying books with your children. You might like to listen to the song we have been learning this week.

[Dingle Dangle Scarecrow - CBeebies \(bbc.co.uk\)](#)
