Spring 1

Dear Parents and Carers,

This week has been Children's Mental Health Week and it has been great to see and hear the work going on in classes and assemblies exploring 'A Place to Be', this year's theme. The younger children have thought about who they are, what makes them special and unique, how they can help each other and how their emotions feel inside their bodies. In Key Stage 2, they have thought about things they can do every day to maintain a healthy mind. Sycamore class produces some great '10 a day' posters including things such as getting outside, drinking well, spending time with friends and breathing amongst many great ways to stay healthy.

The children have worked hard this half term and are ready for a break. We hope you all have a lovely week together and hope the rain will finally hold off!

Here is a slide from our whole school assembly this week showing some of the things we discussed.

We thank you for your ongoing support of the school and your child/ren. Remember, if you have a concern please contact us via families@langtree-school.org, so we can work with you to support the best outcomes for the children.

It is in the study suite from 12:15 to 12:45, so it doesn't interrupt their lunch and we have plenty of time to cover the basics of language and culture.

Please let your children know that they can join in and learn a brand new language every week.

If your child/ren have any intolerances or allergies and requires a school lunch, please let the office know so that we can provide you with the form for your child/ren dietary requirements.

Two Rivers Federation Governing Board - VACANCIES

We have two vacancies on our Two Rivers Governing Board.

Two Rivers Federation consists of both, Bishops Tawton Primary School and Langtree Community School & Nursery Unit.

We are looking for more representation from the parents/community of Langtree and would like for at least one of the two vacancies to be filled by a Langtree representative. However, we welcome interest and will equally consider candidates from both schools.

The governing body meet in-person at either school, six times in an academic year and twice a term online for committee meetings. If you have some time to give and believe that you have something to offer the governing board, please do get in touch, we'd love to hear from you!

Please see our school page for more information or email the clerk if you have any questions or would like to submit your interest...
