

31/1/24 Home Learning Class F

Our topic this half term is 'Space' and this week we have:

Been looking at the book 'Whatever Next' by Jill Murphy. We created a story map to show what happens in the story and then had a go at acting it out.

In PSHE we have been thinking about using kind words. We thought of different scenarios where we could be kind to each other and thought about what we might say to a friend.

This week in music we looked at the style Bhangra. We composed our own music using three different notes and then had a go at playing it to the song 'In the Groove'.

Home Learning

Reception

For home learning this week we would like you to go outside when it is dark or look out the window. Talk about what you can see. Can you count the stars? Can you find the moon? Does the sky change from one night to the next night? Get an adult to write down what you see.

Reading

Your child is bringing home books linked to the phase 3 sounds they have learnt in phonics. We expect the children to read at home at least 3 times a week. Please write in their reading record books when you read at home.

Nursery

For home learning this week we would like you to go outside when it is dark or look out the window. Play space I spy. Can an adult guess what you can see?

Reading

Share a book together. You could choose a book from home or there are books at school which you can borrow.

Please complete by 7th February 2024.
