

10/07/24 Home Learning Class 2

In English, Class 2 have been working on their setting description and upleveling their sentences. They have enjoyed using visual prompts to inspire their setting descriptions.

In Maths, we have been calculating the perimeter of shapes. Year 3 have been calculating the perimeter of rectangles and squares. Year 4 have been using their knowledge of shape properties to find missing lengths.

In science, topic Class have been exploring imported and exported trade items during Ancient Egypt and why the river Nile was so significant during this time.

Reading

We expect the children to read 5 times a week – you can read to an adult (as it is always good to read aloud to practise your expression) or talk to your adult about what you have read.

Maths

Complete battle of the band's activity on TTRS.

Spellings

Nessy: If your child has a Nessy account, please complete Nessy activities rather than spellings below.

Below are spellings linked with the year 3 and 4 spelling list.

Spellings will not be tested in isolation. We will be looking at whether the children are using them accurately in their writing.
