

# Beech Home Learning

## Half Term: Spring 1

Dear parents/carers,

This term our focus is 'Farm to fork'. We will be exploring international trade, Fairtrade and local trade. In science, we will be learning about our teeth, food chains and our digestive systems.

If you have any questions or queries about home learning or anything else, then do email the school or book an appointment to see me after school.

Kind regards,

Miss Bennett.

Please access My Maths to find three tasks to complete over the half term (equal to one each fortnight). Please ask if you need your login details. Here is the link:

[MyMaths login page](#)

Learn times tables/division facts as often as possible.

Login to TTRS to practise recalling these facts.

## Projects

- Complete one project
- Have a go at some more if you wish
- Bring to school by 13/2/26

Science	Art	Geography
Complete a diagram of the human digestive system. Your diagram must contain labels of at least 5 components.  Yr 2 find science home learning on Oak home learning.	Produce a piece of art representing your dreams and goals for the year.  This could be a poem, collage or drawing/painting	Choose one of the following food items- cocoa beans/oranges and explore their growing, harvesting and importation into the UK.  Yr 2: sort your favourite food into reared, grown and caught.
