

1/11/23 Home Learning Class F

Our topic this half term is 'People Who Help Us' and this week we have:

Started to learn about firefighters and what they do to help us. We've also had fun learning about Bonfire night and discussed how to stay safe while watching fireworks. As it was Halloween yesterday, we've also created our own spooky potions and played in the haunted house.

The last week before half term we finished off our music topic and worked hard to play the glockenspiels in our last session.

In PE we've continued to focus on rolling and tracking balls. We rolled a ball around a partner's body while they were lying on the floor and kept it under control.

Home Learning

Reception

Make your very own bonfire picture (see pictures below for ideas). You could make handprints with orange and yellow paint, cut them out and create a fire or you could collect the Autumn coloured leaves and glue them on paper to create a bonfire.

Reading

Your child is bringing home books linked to the sounds they have learnt in phonics. We expect the children to read at home at least 3 times a week. Please write in their reading record books when you read at home.

Nursery

Make your very own bonfire picture (see pictures below for ideas). You could make handprints with orange and yellow paint, cut them out and create a fire or you could collect the Autumn coloured leaves and glue them on paper to create a bonfire.

Reading

Share a book together. You could choose a book from home or there are books at school which you can borrow.

Please complete by 8th November 2023.
