

Class 1 Home learning 20th September

Sorry for the delay in homework from last week. As you will see, we have returned to projects. There is a choice of 2 projects to begin with, increasing to 3 after half term. Your child can pick to do one or both but they must complete one by the end of this half term. They are all based around the learning we are currently doing in class so, over the coming weeks, they will make sense to the children and they should be able to complete them with only minimal support.

We have had a great first 3 weeks in Class 1. The children have settled well and we have begun our normal routine with daily activities such as English, Phonics and maths.

Home learning tasks:

Reading

Year 1: Your child will have brought home a book, which they read with you and also during guided reading. The aim is that this book is read multiple times to practise their phonics and fluency. They can also bring home a picture book to share. Please aim to read with your child 3 times a week and sign their reading record.

Year 2: Your child now has an Accelerated reader book. They will keep this book and read it both at home and in 1-1 reading until they can read it fluently. They will also have guided reading sessions in class with Mrs Mitchell using an additional Accelerated reader book.

*** For all children: regular reading and signing of the reading record by an adult earns your child a reward. If they read 10 times with their book signed, they get a sticker; 5 stickers and they get a reading prize! ***

Project 1

Choose a real animal that you are interested in, find out as much as you can about where it lives then, using recycled and leftover materials, build your animal habitat. I would then like you to bring it to school at the end of this term, show it to the class.

Year 2, this is similar to last year but this time I would like you to be able to explain where your animal lives and WHY.

Project 2

Look again at landmarks across London like we have done in Geography then choose the one you like the most like the Shard or London Bridge. Can you create a piece of artwork to match – painting, drawing, collage, 3d, it's up to you.

I have card and paper at school if you need it.
