

## **10/10/24 Home Learning Class 1**

The children have worked really hard this week, starting to remember their lines for the Christmas Play as well as the many songs!

We are excited to share it with you before too long!

In English we have continued to work on Boa's Bad Birthday and will soon be writing our own stories.

In Maths, we have been exploring 2D and 3D shapes.

### **Home learning tasks:**

#### **Reading.**

**Year 1** Your child will be bringing home a book this week which they read with you and also during guided reading, the aim is that this book is read multiple times to practise their phonics and fluency. They can also bring home a picture book to share. Please aim to read with you child 3 times a week and sign their reading records.

**Year 2** Your child now has an Accelerated reader book. They will keep this book and read it both at home and in 1-1 reading until they can read it fluently.

They will also have guided reading sessions in class with Mrs Mitchell using an additional Accelerated reader book. \*\*\* For all children: regular reading and signing of the reading record by an adult earns your child a reward. If they read 10 times with their book signed, they get a sticker; 5 stickers and they get a reading prize! \*\*\*

### **Projects:**

#### **The making one!**

Do some research and find out what the houses looked like from 1666 when the Great Fire of London took place. Using junk modelling, paint, paper etc, please make a house of your own? We will use these to create our own class street scene from the time.

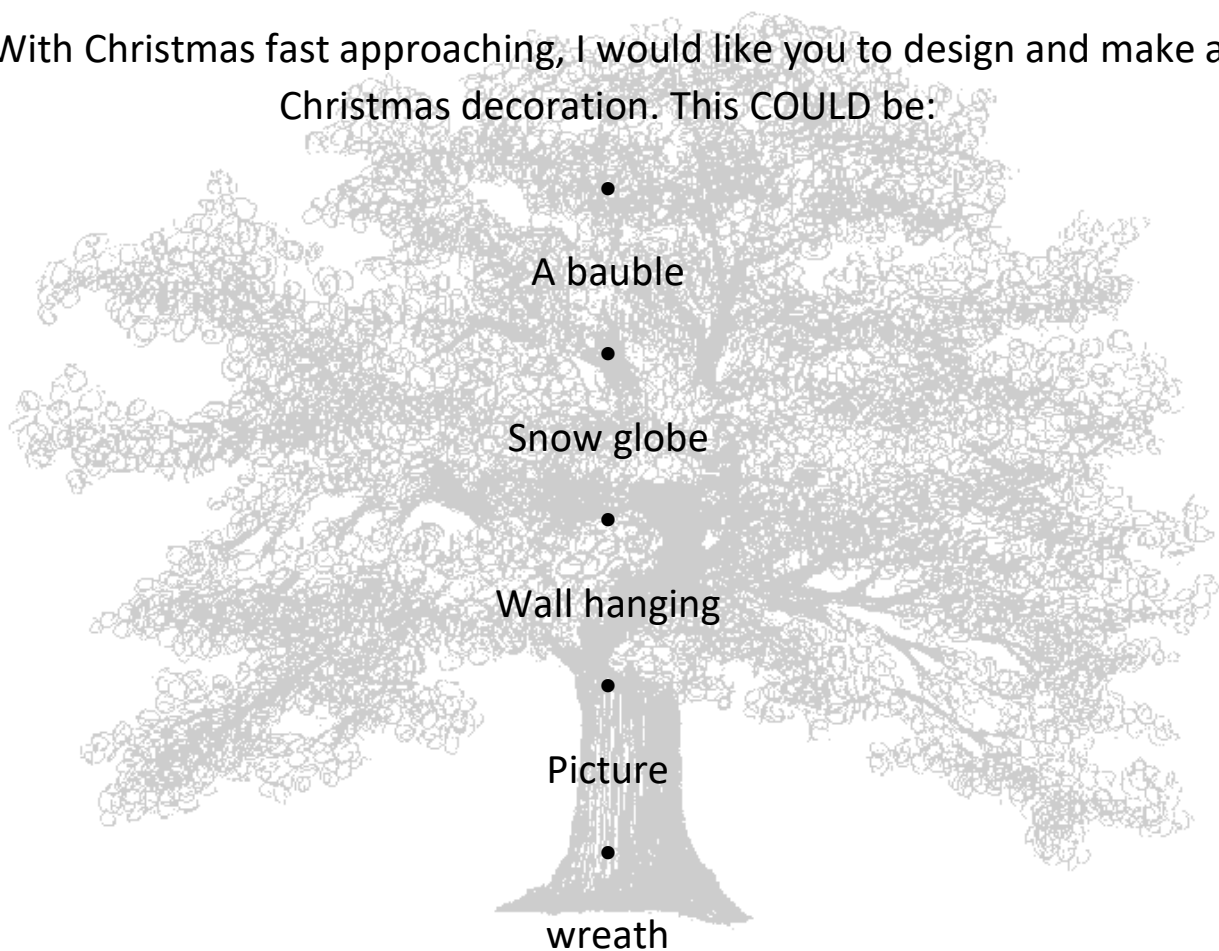

#### **The English one.**

We have been writing a story all about Boa and his bad birthday and now created our own Hedgehog version.

Can you think of your own new animal and write your own 'Bad Birthday' story or make a comic strip story. Try to remember, your character needs some presents which are not quite right first, then one at the end which seems bad but turns out to be amazing. You can make it into a book with a front cover, create a comic book with drawings and writing, its up to you. Happy writing.

### **Another making one!**

With Christmas fast approaching, I would like you to design and make a Christmas decoration. This COULD be:

Again, as always, its up to you, use your imagination. We will keep these on display in class from December 2nd (Monday) until the end of term.
