

8/11/23 Home Learning Class 2

In English, Class 2 have been using subordinating conjunctions to write multi-clause sentences. The children enjoyed exploring moving the conjunctions to create different variations of their sentences.

In Maths, Class 2 have been using inverse to check their calculations. Year 3 have been checking 2-digit calculations. Year 4 have been checking 3 and 4-digit calculations.

In Design and Technology, class 2 have designed and labelled their Viking Longboats. They added accurate measurements for the materials we will be using to make their boats.

Home Learning

Reading

We expect the children to read 5 times a week – you can read to an adult (as it's always good to read aloud to practise your expression) or talk to your adult about what you have read.

TTRS

Practise assigned timetables in garage.

Spellings

Below are spellings for year 3 and 4. Spellings will not be tested in isolation. We will be looking at whether the children are using them accurately in their writing.
