

4/10/24 Home Learning Class 2

This week the children enjoyed performing at the harvest festival. We hope you all enjoyed it!

We've also been working hard on planning and beginning to write our own 'Beastie' story. Class 2 have focussed on following the structure of the book and have thought about how to include expanded noun phrases, fronted adverbials and prepositional phrases. We are looking forward to finishing them off early next week.

In maths we've learnt how to compare numbers using the greater than and less than signs and have worked hard to round numbers to the nearest 10, 100 and 1000.

During science this week, we've focused on understanding how sound travels in waves to reach our ears. We've learnt about the different parts of the ear and how they work in order for us to hear a sound.

Home Learning

Projects:

Please choose one of the following options to complete over the first half of the Autumn Term. This will be due in Friday 25th October 2024.

1. Science: This term we are learning about sound in science. Create your own musical instrument. Your instrument must work, and it must play more than one sound.
2. RE: We are learning about what it means to be a Hindu in Britain today, part of this will focus on the Diwali Festival. For your project research Rangoli patterns. Design and plan your own Rangoli pattern and create it on a large scale.
3. History 1: Write a diary entry as if you are a stone age child, describing what you did in your day including the clothes you wore and the food you ate.
4. History 2: Create a collage, model or painting of a stone age village (and be able to talk about each part).
5. English: we are focusing on story writing over the next few weeks. Plan and write your own adventure or mystery story using your best descriptive vocabulary and illustrate it.

Reading

We expect the children to read 5 times a week – you can read to an adult (as it is always good to read aloud to practise your expression) or talk to your adult about what you have read.

Spelling

Below are spellings linked to No Nonsense spelling. Spellings will not be tested in isolation. We will be looking at whether the children are using them accurately in their writing.

Maths

This week the children have been set a task on MyMaths based around place value which is the topic we have just finished. This task can be found at <https://www.mymaths.co.uk/> the children all have details of how to log in in their reading diaries. Any problems please ask Miss Rushworth or Mrs Symons.

Please could they also remember to log in TT Rock stars and practice the assigned times tables (again the login details can be found in their reading diaries).
